

Technical drawing of a mechanical part in cross-section. The part is symmetrical about a horizontal centerline. The total length is 65. The left end has a total width of 44, with a central hole of diameter 36 and a smaller hole of diameter 22. The right end has a total width of 42, with a central hole of diameter 32 and a smaller hole of diameter 22. The part features a 56-degree chamfer on the top left, a 11-degree chamfer on the bottom left, and a 11-degree fillet on the right side. The part is divided into sections with different hatching patterns: diagonal lines for the main body, cross-hatching for the central hole, and horizontal lines for the end flanges.
