

Technical drawing of a mechanical part, showing two views: a front view (top) and a side view (bottom). The part is a cylindrical component with a central hole and a flange. Dimensions are given in millimeters (mm).

Front View (Top):

- Overall length: 100
- Flange diameter: 60
- Flange thickness: 10
- Central hole diameter: 10
- Distance from left end to center of hole: 40
- Distance from center of hole to right end: 60
- Distance from left end to start of flange: 20
- Distance from start of flange to center of hole: 20
- Distance from center of hole to end of flange: 10
- Distance from end of flange to right end: 10

Side View (Bottom):

- Overall width: 60
- Distance from left end to center of hole: 40
- Distance from center of hole to right end: 60
- Distance from left end to start of flange: 20
- Distance from start of flange to center of hole: 20
- Distance from center of hole to end of flange: 10
- Distance from end of flange to right end: 10
