

Technical drawing of a mechanical part in cross-section. The part is symmetrical about a horizontal centerline. The total width is 65. The total height is 144. The part features a central cylindrical section with a diameter of 36 and a length of 25. The ends of the part are flared out to a diameter of 42. The top and bottom surfaces are rounded with a radius of 11. The part is hatched to indicate cross-section. Dimensions are given in millimeters.
