

Technical drawing of a mechanical part, showing a cross-section and a side view. The drawing includes the following dimensions and annotations:

- Top View (Left):**
 - Overall width: 14.7
 - Overall height: 100
 - Top-left corner: $2 \times 45^\circ$
 - Top-right corner: $2.5 \times 45^\circ$
 - Bottom-left corner: 100°
 - Internal features: A square hole with side length 24, a rectangular hole with width 18 and height 19, and a circular hole with diameter $\phi 38$.
 - Dimensions: 36 (total width of the left section), 19 (width of the rectangular hole), 18 (width of the square hole), 24 (side length of the square hole).
- Side View (Right):**
 - Overall width: 14.7
 - Overall height: 100
 - Internal features: A rectangular hole with width 56 and height 19, and a circular hole with diameter $\phi 38$.
 - Dimensions: 56 (width of the rectangular hole), 19 (height of the rectangular hole), 53 (width of the circular hole), 19 (width of the rectangular hole).
