

Technical drawing of a mechanical part, likely a flange or coupling, showing dimensions in millimeters. The drawing includes a front view and a side view, with a central vertical axis of symmetry indicated by a dashed line.

Dimensions:

- Overall width: 180
- Inner diameter of the central hole: $\phi 65$
- Thickness of the central flange: 20
- Radius of the central hole: 36
- Outer diameter of the central flange: $\phi 64$
- Inner diameter of the central flange: $\phi 46$
- Radius of the central flange: 2
- Thickness of the central flange: 35
- Outer diameter of the central flange: $\phi 48$
- Inner diameter of the central flange: $\phi 32$
- Radius of the central flange: 40
- Thickness of the central flange: 40
- Outer diameter of the central flange: $\phi 80$
- Inner diameter of the central flange: $\phi 48$
- Radius of the central flange: 195
