

Technical drawing of a mechanical part, showing a front view and a top view.

Front View (Top): A rectangle representing the front view of the part. It features a central vertical slot. The total width is indicated by a dimension line at the bottom, labeled $\phi 120$. The height of the part is indicated by a dimension line on the right, labeled $\phi 1/2$.

Top View (Bottom): A circular view of the part. It shows two concentric circles. The outer circle represents the overall diameter, labeled $\phi 120$. The inner circle represents a hole or a smaller feature, labeled $\phi 1/2$. Radial lines are drawn from the center to the outer edge, indicating the geometry of the part.

Scale Bar: A horizontal scale bar is located at the bottom of the drawing, with a length of 100 units.
