

Technical drawing of a mechanical part, showing a top view and a side view.

The top view (left) is a circle with concentric circles and radial lines. The outer circle is labeled $\phi 120$ and the inner circle is labeled $\phi 115$. The radial lines are drawn at 45-degree angles to the horizontal centerline.

The side view (right) is a rectangle with a vertical centerline and a horizontal dimension line labeled 2, indicating the thickness of the part.
